Important Changes to AMA District II!

Bob Hartpence, Chairman

?! What color is a polar bear's fur? (Look for the answer elsewhere in this newsletter.)

We have been pretty lucky with the weather so far. Despite a

Saturday night snow, we had a good turnout at The Tilted Kilt.

For those of you who could not make it, we're not counting that ride against perfect attendance.

We had another Saturday snow for Rhodes North Tavern.

There are very important changes by our host, AMA District II!

The **telephone hotline** is discontinued. From now on, any schedule updates or inclement weather announcements will be made ***only by email***.

So if you picked up a hard copy of this newsletter at one of our stops because you did not receive it by email, please be sure to get on our email list.

Simply send your name, email address and flight to: **bear1733@verizon.net**.

You do not need to be officially signed up for the Polar Bear Grand Tour to be on the email alert list.

The other AMA District II

change is that there will be no corn boil this summer. We will have a kickoff party and offer bonus Polar Bear points for those who attend. I will send out more information later in the season.

Thanks to all our members who contributed to the toy run. Special thanks to Ramapo Motorcycle Club for its \$1,000 donation to the Valerie Fund.

The Polar Bear Grand Tour is the only one of its kind and it's hard to believe next season will be our 40th anniversary.

Our Logo Artist Eric and Quartermasters Harry and Gary did a great job with the shirts this year. We're sold out!

Harry could not ride this year for medical reasons; I hope we see him before the season is over. Meanwhile, special thanks to Jim and Natalie for pitching in to help with the shirts.

For our 40th Anniversary, our Artist and Quartermasters have doubled down! Elsewhere in this newsletter you'll see Eric's design and a special opportunity for those who preorder.

Oh, and a Polar Bear's fur has no color.
