**AMA DISTRICT 2      PB Newsletter 2011-12      -      Spring      -      March, 2012**

I'm sure everyone will agree - this has been one of the best winters for riding - the weather has been very good! And the two new stops that Dao set up were very nice.

### **An Important Note from our Chairman**

“I will continue as the Polar Bear Chairman but I need help. Flight B leaders, Rich and Dave, have decided to step down as flight leaders. They have been flight leaders for a long time. It would be nice if you personally thank them for all of the years they have they have been there. And I will miss them very much - they have been a big help to me over the years. I need at least two volunteers to step up. You do not have to make perfect attendance. If you think you would be willing to help your Polar Bear members, see me.”

### **Some Good Upcoming Stops**

The Chatterbox has plenty of help to see that you are taken care of. The ride to Brian's Harley Davidson is great and they do a terrific job with the traffic and parking. Brian's always has as lot of good FREE food. This is a very good stop - we hope to see everyone there. Another good stop is Cheeburger Cheeburger. They have good food and they donated a lot of prizes for our dinner.

### **News about John Bachota**

Many of you know John Bachota had a heart attack and had to have open heart surgery. The good news is that he's home from the hospital and recuperating well. He'll be back in the swing of things very soon. He thanks everyone for their well-wishes and prayers – he really appreciates everyone's support! John, we'll be so glad to see you and Pat back!

### **Membership Applications**

Applications for the upcoming 2012-2013 Polar Bear Season are available. See your Flight Leaders. You can sign up for next year and have from now until the end of August to save money and ensure your membership for next season.

### **Some Losses**

Sad to report ~ we have lost three Polar Bear Members this year; **A.J. Koloski, Dean McDonnel, and Paul Goerz**. They were devoted motorcyclist and enjoyed the Polar Bear rides. They will be missed and well remembered.

### **Email Addresses**

Anyone not on the Polar Bear e-mail list: If you would like to be added, send Bob your e-mail address at [bear1733@comcast.net](mailto:bear1733@comcast.net). Anyone that would like to be removed let him know by e-mail as well.

## Annual Dinner-Dance

Remember - The annual Dinner-Dance is just around the corner – Saturday, April 28, 2012 at 7 PM at the Old Bridge Knights of Columbus. We have the same DJ's as last year, the two women who did such a great job last year. Bob has a female comedienne, Robin Fox, scheduled to perform her comedy act for us. There's a buffet dinner, open bar, and door prizes as well as a 50/50. All this for a price of \$35.00 per person can't be beat! See your Flight Leaders for tickets. If you have made your points and paid for your ticket, your money will be refunded the night of the Dinner. But you **must** have a ticket to get in! Hope to see you there!

Have a safe and enjoyable summer, everyone! Looking forward to next year!

Respectfully submitted,

## Ads from our vendor friends:

Show everyone that you are a member of the Polar Bear Club. Show them the fun you are having while their bikes are sitting idle. Start a conversation when they comment on the decal. These white decals are 5" in size and can be placed on any object. Put one on a side window of your car for when you cannot ride. They are available from your Flight Leaders for only **\$5** each.

The above decal is available from David Cushing; please see him if you're interested. **Also** - Don't be blinded by sun glare when riding - the **Sundowner Shield** is an effective & inexpensive way to solve the problem.

The sundowner is a flexible, dark green strip that adheres to the helmet shield using static electricity. It can be used over & over again on different helmets without losing its clinging ability. It can be placed on the inside or outside of the face shield.

Here is your opportunity to acquire a valuable personal safety item for the low price of only **\$5**. Available from **David Cushing** who has used them for over 25 years. Editor's note: I use these sunshields myself, and wouldn't ride without them.
