## Welcome!

### Bob Hartpence, Chairman

The Polar Bear staff welcomes you to the 38th season. We

work very hard to make it as enjoyable as we can. We hope you enjoy it and let the

staff know. The objective of the Polar Bear is not to see how many members we can get. Our purpose is providing an enjoyable and fun riding season for motorcyclists who do not want to stop riding and put their bikes away for winter.

Riding Polar Bear you make new friends and stay in

touch with old ones.

Some of the staff you see at sign-in but we have others you do not see working. Let me introduce you.

As Chairman my job is to make sure the other staff work. I take credit for the successes and blame the staff for failures. (I do a good job at that.)

Flight Leaders are not only there at every destination for sign-in, they also keep all the books so you can earn those coveted rockers and pins.

Flight A Leaders are John and Pat Bachota. Flight B Leaders are Joan Roselli and Jim Guiteras.

Ride Coordinators work year-round setting up the stops and notifying them as to when

to expect us. George Piegaro and Roy Bober built a great schedule for us this year, including a new stop: Tilted Kilt.

Chris Loynd is our Newsletter Editor. His job is to make my information readable, and that is a big job.

Eric John Hanson is the artist who does a great job of designing and ordering our shirts. I hope you like this year's design; it is different from the past.

Gary Rosen and Harry Borst are Quartermasters, selling our Polar Bear merchan-

dise. They are new additions to the staff and both members of Bucks County HOG.

Webmaster Walter Kern keeps us up to date and posts those cool photos and videos each week. You can see a collection of his favorites from last season on his blog [motorcycleviews.com](http://motorcycleviews.com), follow the link from the Grand Tour home page.

A special thanks to our retiring Quartermasters Jim Walter and Natalie Ross.

*You see only some of our staff at sign-in each week.*

## New Destination!

Now don't get your knickers in a knot but George and Roy found us a cool new destination:

Tilted Kilt in South Brunswick, NJ. Looks like a fun place. The kilted servers will give the Hooters girls a run for their money for the traditional Bob group photo. Can't wait to try their signature Pub Pretzels.

*"See" you soon!*

## From our Advertisers:

### Sundowner Shield

Don't be blinded by sun glare when riding. The sundowner shield is an effective & inexpensive way to solve the problem.

The sundowner is a flexible, dark green strip that adheres to the helmet shield using static electricity. It can be used over & over again on different helmets without losing its clinging ability. It can be placed on the inside or outside of the face shield.

Here is your opportunity to acquire a valuable personal safety item for the low price of only \$5. Available from David Cushing (former flight B leader) who has used them for over 25 years.

### NO WET WATERLESS WASH and WAX
