Does Bob have your E-mail?

Crazy weather did cancel a few rides last year. It is more important than ever to give Bob your

e-mail address.

Every Saturday night or early Sunday morning check your e-mail for any changes for the upcoming run. If Bob doesn't have your e-mail address, call A.M.A. District # 2 Phone # 908 722-0128 for any cancellations.

Sign up at Cape May

Pre-season registration is closed. You can sign-up at the first ride. (Sometimes sign-ups last through the first few destinations. But do not dawdle.

Cape May sign up continued . . .

Registration is limited to 550 bears.

You do not need to join the Polar Bear Grand Tour in order to join us on our weekly winter excursions. But you do need to register to get the cool patches and pins.

Dues remain \$20 for AMA members, \$25 for non-members. Earn 60 points and get a \$5 refund. Ride every ride and get a second \$5 refund for perfect attendance.

Member of the Week

Another participation opportunity. Pay \$20 at the start of the season for 24 chances to win, or \$1 each week.

New Destinations

New this year are Appalachian Brewing Company (Nov. 30) and Upstream Grill (Jan. 11). For long time riders, “Lago” is the former “Sir John’s” (Jan. 18). Order of destinations has moved around as well, be sure to check the Grand Tour web site for directions and details.

New Shirts

Quartermaster Jim Walter ordered new Polar Bear Shirts this year; 80 sweatshirts and 84 moch tees. This year features a cool new graphic on a maroon shirt. Be sure to see Jim or Natalie in Cape May for the best selection of sizes.

Sundowner Shield

Don't be blinded by sun glare when riding. The sundowner shield is an effective & inexpensive way to solve the problem.

The sundowner is a flexible, dark green strip that adheres to the helmet shield using static electricity. It can be used over & over again on different helmets without losing its clinging ability. It can be placed on the inside or outside of the face shield.

Here is your opportunity to acquire a valuable personal safety item for the low price of only \$5. Available from David Cushing (former flight B leader) who has used them for over 25 years.
